BEST BEDS

Aspen Pet's self-warming beds are just the thing for dogs that like to be super warm and cozy. The faux lambswool and corduroy bed is lined with a space age material that generates warmth by reflecting your dog's own body heat. \$50, aspennpet.com

This West Paw Bumper bed is one of our all-time faves, beloved by the MD office dogs. Made of soft organic cotton, the removable cover makes for super easy cleaning, while the cushy filling is rather amazingly made entirely from recycled plastic bottles. From \$79, westpawdesigns.com

Let your dog relax in ultra-comfort with a bed from Dream Ease. It offers the same quality and support as a mattress made for people, supporting your dog's body and eliminating stress on her joints. \$179, dreameasepetbeds.com

We love the vintage-y vibe of this polka-dotted cotton/cotton canvas navy blue and red "Pinup" dog bed from Charliebegood, available in sizes large enough to accommodate any dog, even Great Danes! \$47 (sold un-stuffed), etsy.com/shop/charliebegood
